Carousel@AI4EU Cafe Presentation on October 21st, 5 – 6 pm CEST

Carousel Introduction

- Dance together and have fun, even if I am alone at home
- We aim to combat loneliness through social and physical interaction over the Internet

Inspiration for Carousel

- Carousel: Tu me fais tourner la tête
  translated: „You make my head spin around“
  - the song by Édith Piaf
    the painting by Marc Chagall
    the theatre play by Mattatoio Sospeso of Aérien et poétique
    the gallery and paintings of Denis Lacaux

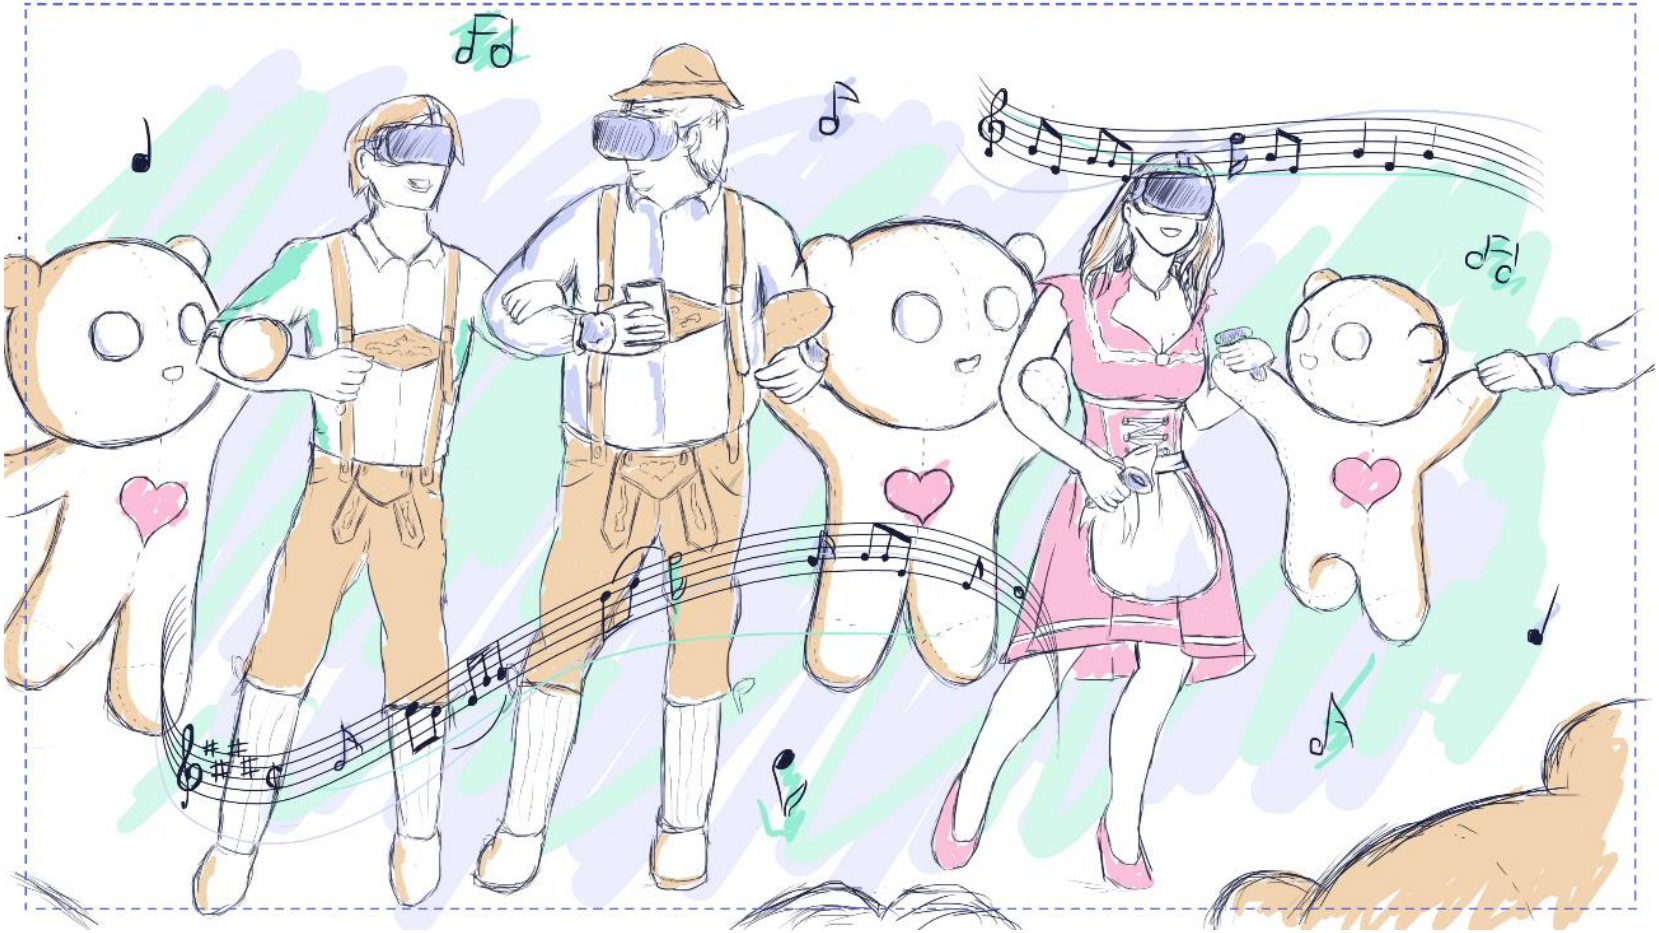
Carousel Vision

- In the future I may start anytime an open networked party in my home to dance together with others and feel good.

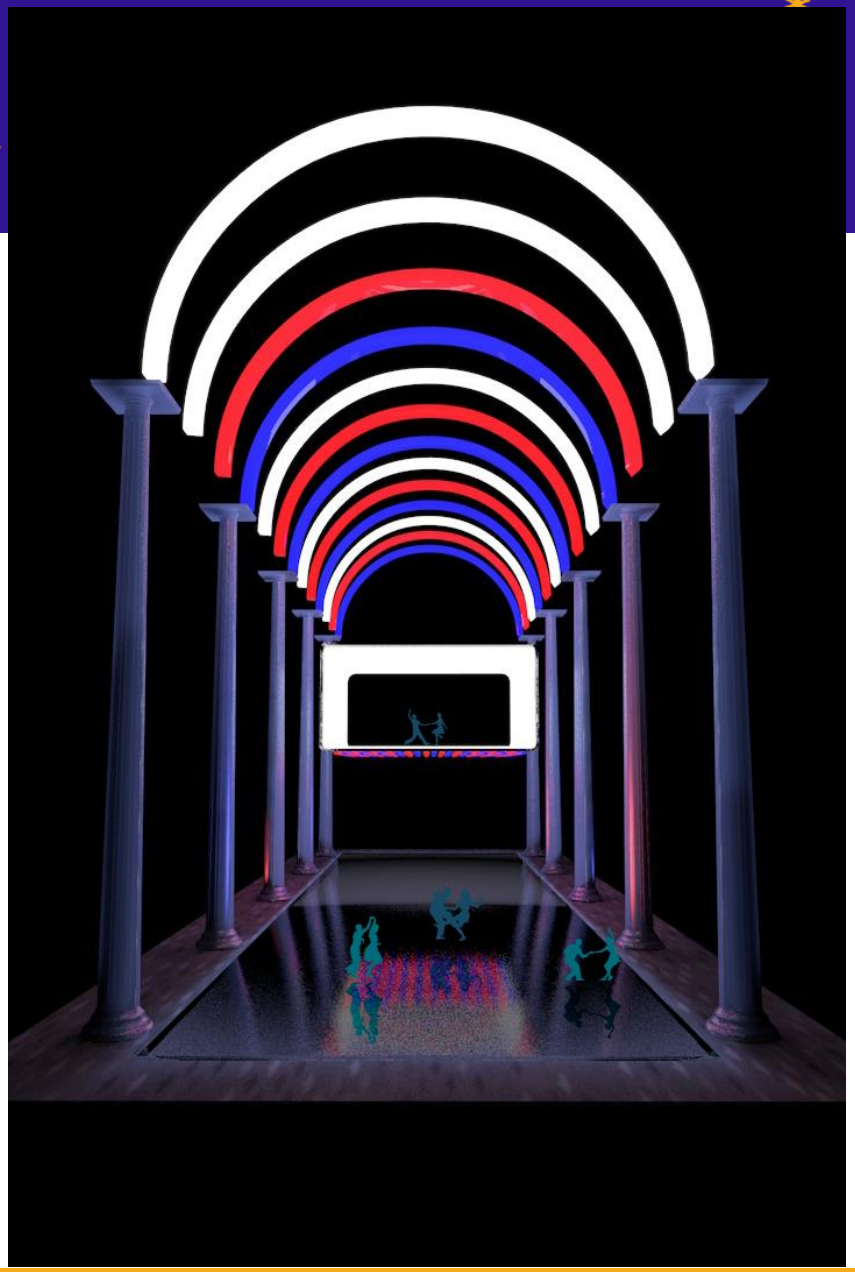
- My dance partners are maybe user driven avatars or autonomous AI-Agents - I do not care, it just feels good to dance together!

The party could look like this…

Or like this..



Or so…



Or like this ☺
