**Please take notice that this session will be recorded.**

**The link for the recording you find on the AI4EU youtube and gotostage channel, if the Speaker gives the permission afterwards.**

**No confidential information shall be shared in this Café session.**

**All Speakers express their personal views and opinions, this is not the official AI4EU project opinion.**

# WHAT is the AI4EU Web Café?

The Web Café is public and offers a series of live web sessions on AI.

Please join us in our online Café to

- gain insights into the European AI scene
- share knowledge and experiences
- meet stakeholders from various areas of AI research and application.

Please feel free to promote the Café sessions to your friends.
